

Preventing Workplace Harassment and Title IX Officers/Coordinators Training

Harassment, sexual harassment and discrimination create unhealthy and unproductive school environments. Training and education are the best protection against potential litigation. In this two-hour session designed specifically for Title IX Officers/Coordinators, participants gain a clear understanding of the legal definition of harassment and focus on prevention strategies that can be applied in the workplace. They also learn how to respond when an employee or student makes a harassment claim and the steps involved in conducting a comprehensive investigation.
