BOCES CAMPUS SCHOOL CALENDAR 2009-2010
(REVISED-11/12/09)

The calendar below has been established by the District Superintendent of Schools. It is essentially constructed to meet the needs of the greatest number of children to be served by the regional program at any given time.

This calendar primarily relates to BOCES operated central facilities - Special Education classes, Career and Technical Education classes and Guidance Center. Itinerant staff members will follow the school calendars of the two or more schools to which they are assigned. The local district's calendar takes precedence over the BOCES' Calendar in the case of teachers assigned to school district locations.
