Those immunizations/blood work requirements are indicated on the authorized physical examination form and **MUST** be completed by the physician.

Please be advised that individual facilities require criminal background checks for clearance purposes. All students are required to comply with these requests in order to participate in clinical rotations. Failure to meet this requirement will jeopardize enrollment. The cost of the background check (approximately \$200) is the student's responsibility. A 10 panel drug screening is also required by affiliating agencies.
