SEPTEMBER 10: *Sadecky's Puppets - Everybody Respects Raymond:* James is a boy who

Grade

K-5

can't figure out why nobody respects him, but everybody seems to respect his twin brother Raymond. To find the answer, he suggests they switch places for a week. He expects to be treated with respect while pretending to be Raymond, but he soon finds the opposite is happening. Meanwhile Raymond is gaining respect while pretending he's James. It is quickly apparent that just because the brothers look alike, doesn't mean they'll be treated the same. What James eventually learns is that respect can only be earned by giving it out in the first place. <http://www.livepuppets.com/welcome.html>
