Dear Families,

We are learning about how our families are different and how they are the same. We will be discussing different family customs, celebrations, traditions, and cultures. Please share a special family tradition, holiday, or custom with your child and answer the questions below. Examples of family traditions and holidays include the following:
Attending a family reunion, going to an Opening Day baseball game together each year, planting a garden each spring, having a picnic every July 4th, going to grandma’s house in New Jersey for Hanukkah, having an Easter egg hunt on Easter, etc.

*If you have any photographs or objects relating to your holiday/celebration, please send them in also.
