The PROMPT Institute is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

PROMPT is approved by the Continuing Education Board of the American Speech-Hearing Assn. (ASHA) to provide continuing education activities in Speech Language Pathology. This program is offered for 1.8 CEU's.

PROMPT (PROMPTs for Restructuring Oral Muscular Phonetic Targets) is based on a client centered philosophy which embodies neuromotor principles. The system was created by Deborah Hayden in 1976 and formally organized in 1980. Since that time **PROMPT** has been researched with both adult and child populations and has found to be efficacious in the treatment of motor-speech disorders. **Prompt is a non-profit organization for the study, education, research and treatment of speech production disorders.** Total cost for the workshop is \$575.00
